- ⬆ **Prof. Dr. V. GNANAPRAKASAM AWARD – Best Research Paper Presentation in Large Animal Dermatology**
- ⬆ **Prof. Dr. S.K. RAY AWARD – Best research paper in Small Animal Dermatology**

ICVD3 INDIAN CONGRESS FOR VETERINARY DERMATOLOGY III

INTERNATIONAL CVE PROGRAMME

This three day event will consists of an advanced CVE programmes in dermatology to be addressed and deliberated by international experts from across the globe.

PROFILE OF CVE EXPERTS

Prof. Dr. SHEILA M.F. TORRES

*Professor of Veterinary Dermatology,
College of Veterinary Medicine, University of Minnes*

Dr. Torres graduated from veterinary school in 1979 at the Federal University of Veterinary Medicine of Minas Gerais in Brazil. She obtained a Master degree at the same Institution in 1982 and was hired as Assistant Professor where she worked from 1982 through 1992. In 1990 Dr. Torres obtained a PhD and completed a residency in veterinary dermatology at the University of Minnesota, College of Veterinary Medicine in 1990, USA. In 1993 she returned to the University of Minnesota as an Assistant Clinical Specialist and became board certified by the American College of Veterinary Dermatology in 1994. She is currently the Dermatology Section Chief and Full Professor with tenure at the College of Veterinary Medicine, University of Minnesota. Dr. Torres is also the vice chair for education at the same institution. She is the author or co-author of more than 50 peer-reviewed original articles. Dr. Torres is the co-author of a canine and feline dermatology drug handbook and has written 16 book chapters. She is currently working on an electronic book in small and large animal dermatology. Dr. Torres areas of research interest are canine atopic dermatitis and alternatives to conventional antibiotic therapy

Prof. Dr. ROSANNA MARSELLA

*Professor, Small Animal Clinical Sciences
College of Veterinary Medicine, University of Florida, USA*

Dr Marsella is a Diplomate of the American College of Veterinary Dermatology and full Professor at the University of Florida. She has served as co-editor for Veterinary Dermatology and is a member of the Task Force on Canine Atopic Dermatitis. She also co-edited the current BSAVA Dermatology Manual. Dr. Marsella is a graduate of the University of Milano (Italy, 1991). After graduation, Dr. Marsella worked in private practice for a couple of years and then decided to pursue specialty training in dermatology. Dr. Marsella became a board certified dermatologist in 1996 and has been a faculty member at the University of Florida since 1997. Dr Marsella has authored more than 150 peer-reviewed articles and has written several books (Manual of Equine Dermatology and Clinical Approach to Feline Dermatologic Diseases) and contributed to many others as either author or author and editor (e.g., BSAVA Manual of Canine and Feline Dermatology). She has served as president of the American College of Veterinary Dermatology and co-editor of Veterinary Dermatology. Dr. Marsella is a horse lover and owner and has a special interest in equine dermatology. She has extensively published in the area of equine allergies, their diagnosis and treatment.

ABOUT GOA

The magical land of Goa is a land of celebrations and festivities. Snuggled in the Konkan Coast Belt, It has a long coastline of approx 100 kilometers. The real beauty of Goa lies in its beautiful beaches, places of worship and world heritage architecture. It also has bountiful flora and fauna, owing to its location on the Western Ghat Range and it is classified as a biodiversity hotspot. This picturesque state is a destination of choice for tourists.

The venue can be reached via road, rail and air. The nearest airport is Dabolim Airport at Dabolim and Margoan Railway station. To and fro transport facility for these two points is arranged for 20 guests one time per way.
